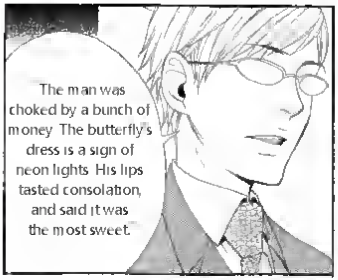
DOES THE POET
ON THE STREET
DREAM OF
GLASSES?

Do you want a sponsor?
He suddenly appeared

I have enough now thanks
People often make fun of what I do or sometimes pick me up

500円



The man was choked by a bunch of money The butterfly's dress is a sign of neon lights His lips tasted consolation, and said it was the most sweet.

I said that I'm a sponsor
It's the same
It is a crime for older man to date young people by money.
Compared to your poem, you are young
It is best to treat them coldly.

It doesn't matter if you believe me or not
It matters how much money you are going to need to take action

If you come with me now I will give you money that you need
No! I'm sponsor who is willing to pay for your talent

Did anybody else fall for that yet?

I'm in a more dangerous position here
You could deceive me easily
I will think about it if he brings 1 000 000 yen
Just as you don't know how much I am going to pay you,
I don't know what you will do for my investment.
You can face it head on even if it is unfair. Use your adventurous spirit, curiosity, ambition, calculation, and your flexibility to judge it.
How about it? How much do you need?
There is only one chance to say yes. I will never suggest it again if you say no
But I don't have much time, so I'm not going to speak long

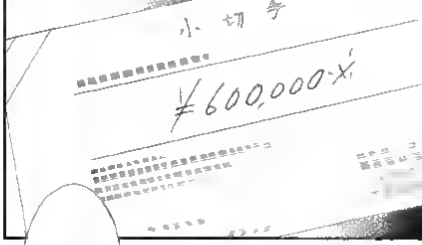
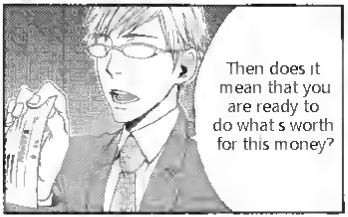
I don t need it.

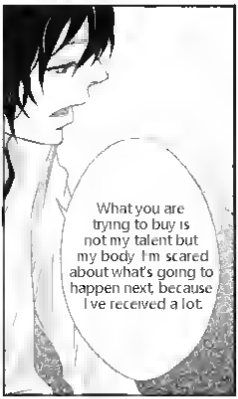


¥600,000-

Do you need more?
Rip



Then does it mean that you are ready to do what s worth for this money?



What you are trying to buy is not my talent but my body. I'm scared about what's going to happen next, because I've received a lot.

Ugh
Open your mouth
Mm

Ugh

Ah
Ah!
Now
It's coming
Ugh!

I don t use force
Are you not going to put it in?
!
Then see you later
The check
Bring that to the bank written there
!!!

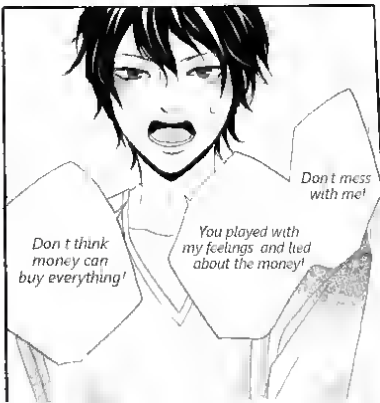
If he was going to deceive me, he should have taken my body.
Did I... Get swindled?
Should I have called for 1 000 000 yen?
It's dangerous
No
It's impossible
But if it's real then 600 000 yen..
Maybe really...?
No! Maybe
!!
It's dangerous.
It's danger-ous. It's dangerous
It's hard
I am really nervous This is really scary

銀行
I m sorry customer I can't pay you here
Of course

Glasses are fox "
"They smile after deceiving a child"
I knew it
"Adult are glasses"
Give me this
What is that?
Look at this.
Could you write me a poem?

DIE
Here
The money
for the
poem

Don't treat me like I'm stupid!



Don t think money can buy everything!
You played with my feelings and lied about the money!
Don t mess with me!

I didn t
I just wanted to pay for the poem

What are you accepting by yourself?
It's because you wrote a poem with something about money so I got confused I changed my plan
I like you
What?
I feel the same way
I mean I like you.

I keep watching you
You were hard working in a place like this where you can't escape from rain and wind if there is a typhoon
What?
You came here since last month
I'm your fan.
I don't know much about poetry
The things that you need to sell were blowing in the wind, and you didn't know that you are using paper
As I thought, you are treating me like a fool!
You – Have a rough life to live– That's what I mean
Huh?
No, I'm complimenting you
Where?!

I don't want to
We are speaking comfortably at last.
That's not a compliment
Yeah, well
You are still young
Go back!
That's what I think..
I used the check as bait because if you received money I didn't think that you would come back here again
I kept thinking about you, and I wanted to be close to you I planned and I simulated it many times, and then started talking to you
The suit and glasses are all worn to look cool
Yeah
I'm sorry I made a mistake when I tried to understand you
That means You didn't trust me
I didn't want to deceive you Please believe me

Thank god that you are not somebody who can be moved with money
When you played around with me the money was not your goal but you liked me
Huh?!
I'm happy
Huh?

Was that it?
I'll plan a date next time
Then see you later

Again
Next time
600,000 yen!

autumn → winter

He seems to be shy When I get close to him, he gets angry
I know him

If it's interesting
Could you bring a poem from him?

I can hear everything!
As I thought you are a suspicious guy
If it's interesting
I see That's a bit difficult
